PROFESSIONAL EXPERIENCE

Assistant Manager – Data Reporting & MIS | Aviva Life Insurance

November 2022 – September 2026 | Gurgaon, Haryana

Own daily data reporting, validation, and cross-functional coordination supporting branch and management reporting needs.

- Prepare and validate daily reports against LeadSquared (LSQ) source data before distribution across 10-12 branches.
- Coordinate with Call Centre teams for data upload/download cycles and resolve reporting discrepancies.
- Support branch marketing teams by investigating and resolving data and reporting queries.
- Prepare management-driven ad-hoc reports and perform daily data consistency checks.
- Manage and track lead-sharing data across Agency, Agent Mentor, and Group channels.

Sr. Data Executive – Reporting & Analytics | Accor Plus

August 2016 – November 2022 | Gurgaon, Haryana

Owned end-to-end sales and revenue reporting, dashboard development, and data reconciliation across client accounts.

- Prepared Daily Sales Reports (DSR) along with weekly, monthly, and annual business reports.
- Reconciled revenue data across multiple client dashboards and verified reporting accuracy.
- Analyzed client-wise revenue trends and identified reporting inconsistencies.
- Coordinated with operations teams to ensure content was uploaded accurately and within agreed timelines.

- Extracted and validated Google Analytics data before client reporting.
- Developed Advanced Excel dashboards for structured, presentation-ready reporting.

Content Writer – Data & Content Quality | One Point One Solution

April 2015 – July 2016 | Gurgaon, Haryana

Ensured data and content accuracy for product listings prior to publication on a leading e-commerce platform.

- Reviewed and validated product data for accuracy before publishing on Askmebazaar.com.
- Conducted research to source and verify product information.
- Performed image mapping and content quality checks before publication.
